Come. See. Stay.

ROCKY HOST PROGRAM

📍 Quay Street | Rockhampton QLD Australia

Rockhampton's Riverside Precinct is the heart of the city, offering the best views of the Fitzroy River (Tunuba) and is an exceptional example of a modern, integrated urban design that sits alongside the city's strip of heritage-listed buildings.

The precinct architecture celebrates the State's largest regional collection of heritage buildings and rich collection of art, along with the natural wonders of the Fitzroy River (Tunuba) and Mount Archer (Nurim).

Stroll along the heritage soaked sandstone boulevard on Quay Street and across the lower bank boardwalk surrounded by lush plantings, public artworks and a picturesque boat dotted vista. Families can enjoy the precinct's playground towards the William Street end of the precinct and perch up with a coffee while they explore the bright sculptural works of the rainbow serpent, Munda-Gadda, then cool off amongst Rod Laver Plaza's pop-up water jets.

TOP 5 FACTS

- The Riverside Precinct revitalisation, completed in 2018, celebrates local art, culture and heritage.
- Smart technology includes music, lighting, public Wi-Fi, electric vehicle charging, and bike maintenance station.
- Rod Laver Plaza was named in honour of the legendary tennis player who was born in Rockhampton in 1938.
- The Riverside plays host to the annual [Rockhampton River Festival](#), a signature event for the region along with markets and events throughout the year.
- The Fitzroy Adventure Playground represents the 'rainbow serpent (Munda-Gadda)' whom the Darumbal people believe created all the waters and the land.
